Mock-up user screens

Mock-up user screens

The image shows a mock-up of a web browser window. The browser's title bar is labeled "FeedApp". The address bar contains the URL "https://feedapp.no/login/". The main content area displays the FeedApp logo, which is a stylized flower-like shape with the text "FeedApp" and "poll service" inside. Below the logo are two input fields: "username" and "password". At the bottom of the login form are two green buttons: "Register" and "Login".
